

Raising the Bar:

Putting the Promise to Practice in Adolescent Reproductive Health and Support for Young Families

A conference for clinicians, youth development professionals, health educators, and advocates
Presented by the Colorado Organization on Adolescent Pregnancy, Parenting and Prevention

Presenter Spotlight On:

John Santelli, MD, MPH

As a pediatrician and faculty member at the [Columbia University Mailman School of Public Health](#), Santelli is a preeminent researcher in the adolescent sexual health field.

His most recent work includes:

- [Changing Behavioral Risk for Pregnancy Among High School Students in the United States: 1991-2007](#) in the *Journal of Adolescent Health*, July 2009.

Santelli will deliver this year's keynote address on proven approaches to reduce teen pregnancy rates and a breakout session discussing risk and protective factors for STIs and teen pregnancy.

Dr. Santelli is an expert and leader in this field; don't miss this opportunity to hear him speak about this important issue!

Registration is OPEN!
